

MEGA MELT[®] ProSlicer[™]

Long-Lasting Severe Weather Ice Melter

MegaMelt[®] ProSlicer[™] is created through the application of a high performance liquid deicer added to a blend of fine and coarse crystal ice melt. Through the use of prewetting technology, each crystal is encapsulated in liquid deicer to give it the one-two high performance punch of a fast melting liquid deicer and the staying power of granular ice melt. MegaMelt ProSlicer is known as the fastest to melt snow and ice and perform to its specifications.

MEGA MELT[®] ProSlicer[™]

This vivid purple deicer is so visible and effective, less material and fewer applications are needed. Formulated for the professional snow pusher.

Long-Lasting
Severe Weather
Ice Melter

- Quickly melts ice and snow down to -20° F
- Pre-wet deicer means less material and fewer applications are needed
- Flows freely even in sub-freezing conditions
- Vivid purple color is easy to see and will not track or stain
- Maintains a residual melting effect after storm event
- Safer on skin, sidewalks, leather, metal, plants and pets*

* When used as directed

NET WT. 50 LB. (22.68 KG)

| Features | Benefits |
|----------------------------|---|
| Melts fast | • Performs to specifications almost immediately |
| Lasts long | • Minimized environmental impact • Fewer applications needed • Economical due to fewer applications |
| Reduced bounce and scatter | • Precise application to target areas • Less waste |
| Anticorrosion technology | • Corrosion protection to spreading equipment |
| All natural | • When used properly, should not be harmful to vegetation |

MegaMelt ProSlicer 50 lb Bag

| | |
|----------------------------------|--|
| Contents | Sodium Chloride, pre-wetting and coloring agents |
| UPC Item Code |  <p>8 96801 00202 8</p> |
| Package Size | 50 lbs. |
| Item Dimensions L x H x W (in) | 22.25 x 14.75 x 3 |
| Pallet Count | 49 |
| Pallet Pattern | 7 x 7 |
| Pallet Weight | 2,465 lbs |
| Pallet Cube (ft ⁴) | 34 |
| Pallet Dimensions L x H x W (in) | 48 x 45 x 34 |

From Central Salt®—Where Service is Central

ProSlicer is produced exclusively by Central Salt, a leader in liquid, dry and dry blend ice-melting technologies used throughout the winter maintenance industry. We are at your service 24/7, ready to provide the highest level of service at the most affordable cost.
